

Welcome to the Cavendish Wine List.

Wine is all about excellent pairings, not perfect pairings; matching wine with food we enjoy and creating that extra special moment!

Wine expresses the abundance of the banquet and the joy of the feast!

I hope you enjoy perusing, taking a journey of discovery with my eclectic selection of wines which include sparkling and still from England and exciting offerings from Central Eastern Europe as well as the traditional classics.

Wine is a journey not a destination, so remember to sip, to savour and spend a moment enjoying the pleasure of taste!
